

# Premium Publishing Service

Our Premium Author's Package is designed to give authors a complete, professional publishing experience from manuscript to market. Combining cutting-edge technology with personalized editorial expertise and comprehensive marketing support, we provide everything you need to launch your book with confidence and impact:

**Editorial Excellence** – Full copyediting, proofreading, and manuscript health analysis ensure your work is polished to industry standards.

**Professional Design** – Genre-tailored cover design and complete formatting for eBook, paperback, and hardcover create a stunning finished product.

**Legal Protection** – All necessary ISBNs and U.S. Copyright Office registration in your name safeguard your intellectual property.

**Audio Expansion** – AI-powered audiobook recordings open your work to the rapidly growing audio market.

**Launch Campaign** – \$300 social media campaign, marketing images, author page, IBPA catalog listing, and homepage feature give your book maximum visibility.

**Ongoing Support** – Author welcome package, permanent portfolio inclusion, and 15% lifetime discount on future projects build a lasting partnership.

The result is a professionally published book backed by comprehensive support — all while you retain 100% ownership of your rights, royalties, and distribution. We handle the complexity so you can focus on what matters: your readers and your next book.
